What you need to know:

1. It is a good idea to visit the farm before your date to become familiar with the property and decide where your photo sessions will be. This will make it easier for you to direct your clients to where you have set up.
2. If your plans change and you will not be coming to the farm, we ask that you let us know before your scheduled date
3. When you arrive on the farm we ask that you please check in at the store and pay before you set up. Although we do not want to be directing your clients to where you are, it is good that we have some idea of where you have set up. We would also at this time give you a receipt to show that you have checked in and paid for your time on the farm.
4. Please make sure your clients have a contact number to reach you if they can't find you.
5. Please make sure your clients park in designated areas only.
6. There will be bathrooms available over by the store.
7. We will have an employee patrolling the farm to make sure people are parked in designated areas only. Also the employee will be checking to make sure you have proof that you have checked in and paid for your sessions.
8. On our busy weekends where we have many photographers please be thoughtful when setting up where your sessions will be based on others that have arrived before you.
9. **During Pumpkinfest Only:** there is a fee to get on the farm to take part in the many Pumpkinfest activities. Your clients are not expected to pay this fee if they are just coming for photos and leaving. But we ask that you let your clients know this and that if they wish to stay and enjoy the farm that they pay at the booth when they arrive. We have a sticker system to keep track of customers who have paid.
10. We accept cash or debit to pay for the photography sessions.
